Academics

From the school of
Hard knocks and Ivory Towers
To us.
Communicating some of
What must be communicated,
But more.
Equations, verb structures,
Techniques and principles,
But more.
Numbers, green sheets,
Drop cards, computers,
Meetings and students.
. . . more
After all this,
Only the prefix is different.
Hear them, hear them.
Learn all about them.

Participation

Getting it together with . . .
BWOC and Jam Up and
Homecoming;
With Bucky Fuller and
Herman Kahn at the Forum;
With Ramsey Clark and Harry Golden
And Howard Fuller and Black Liberation.
Getting into . . .
Basketball and 49ers
And Greeks, parties, hung over and
Up on **Lysistrata** *and* **Uncle Vanya** *and*
Into engineers and machines and
Poets and readings and
Ecology and the war;
Debating and convincing yourself
About why participate
And then did it.
Here you are.

Activities

Into . . .
With both feet.
Clubs . . . radio, cars,
Biology, engineers, nurses
And legislatures and courts
And constitutions;
Into . . . Green Garter with
Pi's and Psi's and guitars.
Into . . . students
And color and
Project Opportunity.
Into . . . the hills with
Outward Bound.
Into . . . print with
Sanskrit and Journal and
Rogues 'n Rascals.
There's always more.
Into it.

The University . . .
bricks, concrete, glass
interwoven
classrooms, residence halls

The Students . . .

The Culmination . . .
learning
social . . . academic
the University Community

Student Living

Live, living, having lived
With papers and quizzes,
Books and booze and
Dope next door.
Living . . . with kids and dogs and
Rent on the first.
Long afternoons at work and
Longer nights with notes and
Nixon. Living . . .
With J. Edgar Hoover and
Uncle Sam in green.
Living . . . with tension and
Release and playing . . .
With yourself or someone
You love.
Apathy works, and everybody plays.
When they can.

Seniors

The Class of 1971 of the
University of North Carolina at
Charlotte.
Graduates now.
You hung on.
Four years come and gone.
Finished . . . exams,
Papers, all-nighters;
All the careful plans and the
Spur-of-the-moment-let's-do-it
Details that amount to
Four years . . . done.
All that hangs on, too.
And hurts at least
A little.
Remember?

Miss UNCC
Yogi Clifford

Distinctly herself.
Clean turns her on.
Polluted turns her off.
Naturally.
A cut-away from the
Crowd.
But still
Yogi
To everybody.

Miss 49er
Sharon Ballard

A little bit of gold
For the bearded old man.
Known to her judges as
Snoopy at "Suppertime"
And to Alpha Kappa Psi as
Their little bit of sugar.
Tri-Delta calls her
"Sister."
Just a crown above the others,
She's Miss 49er to us.

Homecoming Queen
Melanie Wilson

Fencer, swimmer,
Sorority sister,
Editor.
Joyously Christian,
Humanly active.
A crown
Above the others.
Happiness is . . .
Melanie Wilson to
Come "home" to.

student living

A beginning: registration, lines, receipts, confusion, lines, course cards, SAC members trying to help . . .

. . . classes closed,
more lines,
ID cards . . .

. . . At last . . .
relieving aching
feet and muddled
minds.

Dorms: moving in,
closetful of clothes,
packed cars, books
and baggage . . .

. . . new roommates, home away from home.

What's different about dorm life? As the year moves along, residents realize more and more why they want to live here.

Although conditions are not always ideal, improvements are always being made.

Living in an atmosphere of self-dependence and sensitivity . . .

. . . always eventful,
always something to
be a part of,
doing what you desire . . .

. . . gaining lasting
friendships,
experiencing and
loving independence . . .

. . . learning how to
live on your own . . .

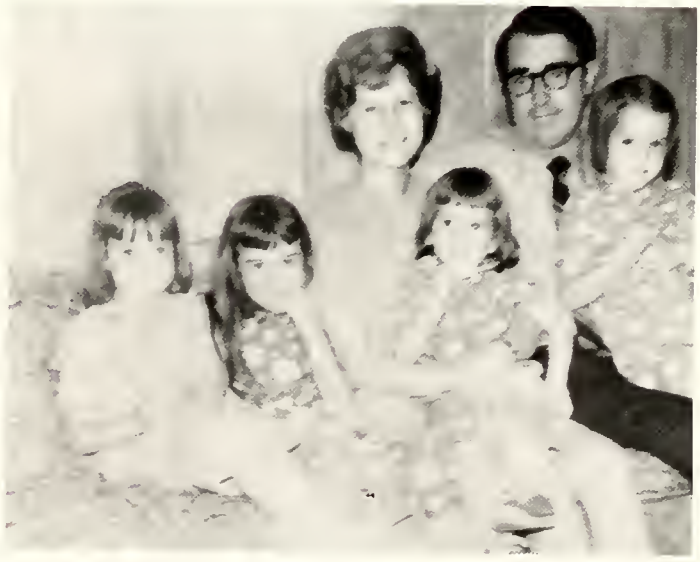
. . . and survive . . .

. . . playing the
domestic

All commuters face the same problems: getting to campus on time, finding a parking place, and avoiding tickets,

finding a perch between classes.

Living with the family,
living in an apartment,



managing college and a
marriage.

A place to eat, to mingle . . .

Where else can you experience pineapple fritters, cornish hen once a month and original shepherd's pie?

. . . to talk,
to watch.

To relieve
the dreariness—
each finds his
own way of
relaxing . . .

. . . a time and
a way to
unwind.

There's room for everyone to enjoy himself . . .

. . . slice out the cards, down
a coke, lendanear, bendanear.

. . . and gains a
meaning that
comes from . . .

Everybody does his
own thing . . .

. . . giving of oneself to
make the whole a . . .

. . . success. . .

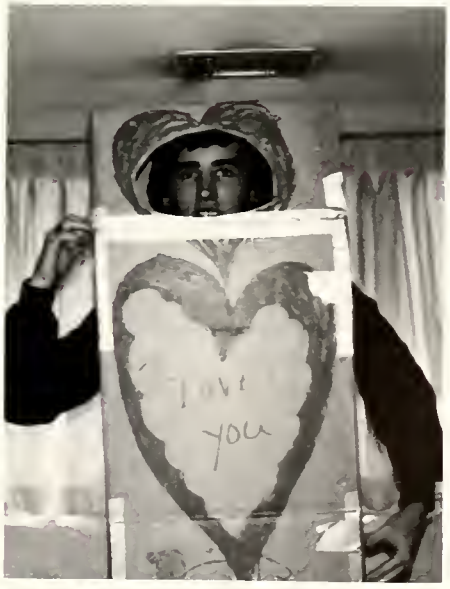
. . . A SUCCESS.

Thank God for
little things—
the things
memories are
made of . . .

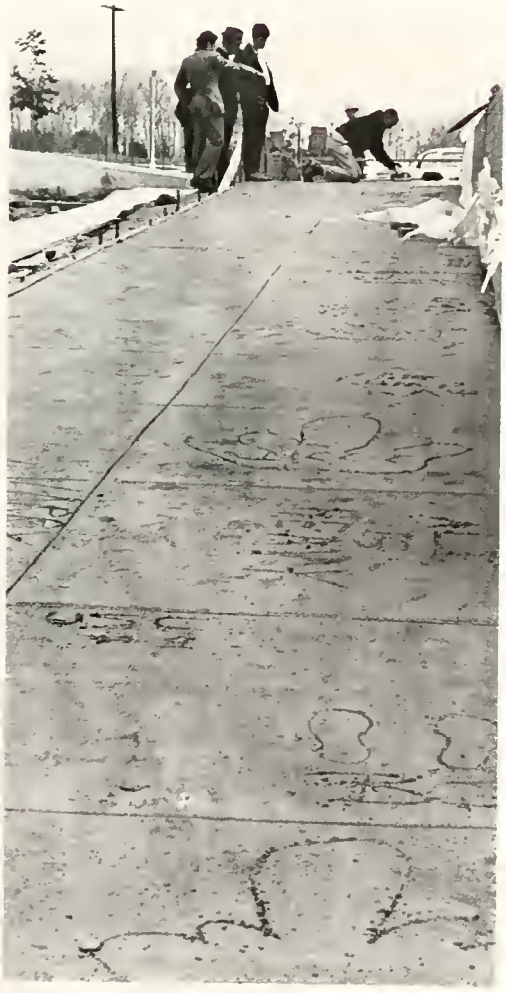
. . . for victories . . .

. . . for contentment, for transportation . . .

. . . for love, for cherubs,
for gifts . . .



. . . for holidays and
special days . . .
for quiet times,
for antics and
graffiti . . .



. . . Thank God for God.

Every student has individual needs
and a longing to get away . . .

R·Y.
ΛΧΑ

. . . to experience solitude,
release and self-expression.

And wherever
he goes . . .

. . . the student usually leaves
a little something behind . . .

Sale on CANDIES

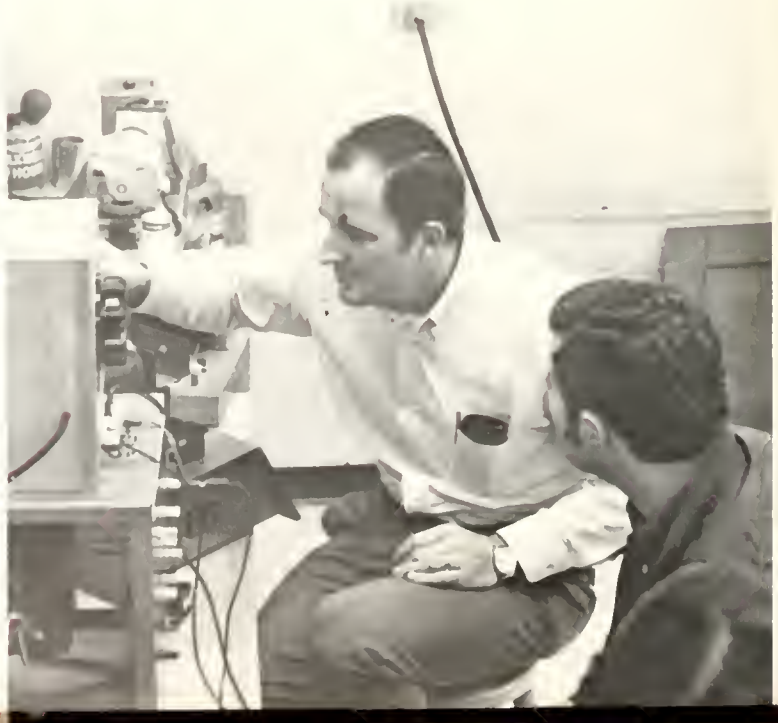
. . . or takes something
away—
like funds.

Involvement . . .

. . . leadership . . .

. . . feeling disappointment,
happiness and anticipation . . .

. . . all fulfilling.



A Quest . . .

. . . the beginning of
which and the
direction of which
is often lost in
the anticipation
of an end.

An individual, a
lonely, near forlorn
pursuit of something . . .

. . . something which initially . . .

. . . seems tangible and
in focus;

. . . a cumulative search . . .

. . . which is
painful,
gratifying . . .

. . . relentless, unifying . . .

. . . and in the end, when you are finished . . . you **are** finished.
